

CURRICULUM VITAE

Nabih Antoine NADER

Office: Sin-El-Fil, Horch Tabet, Ph: 961 (3) 34 16 19
Av. du Général Fouad Chéhab 961 (1) 48 77 89
Far Vision Center Fax: 961 (1) 50 16 19
BEIRUT, LEBANON

Private: Hadath, Rue Adib Chidiac, Ph: 961 (5) 46 17 59
BEIRUT, LEBANON

Date of birth: October 21, 1967

Nationality: Lebanese - French

Marital status: Married

Profession: Dental Surgeon; practice limited to Periodontology-Implantology
and Oral Surgery

EDUCATION

- Collège Notre Dame, Jamhour (High School)	1974-1985	“Baccalauréat Libanais” 1985 “Baccalauréat Français” 1985
- Faculty of Sciences: section II of the Lebanese University	1986-1988	Certificate in Biology 1988
- Dental school: section II of the Lebanese University	1989-1993	Degree of Bachelor 1993 in Dental Surgery
- Dental School of Paris VII University	1993-1994	Post-graduate Certificate 1994 in Anatomy and Physiology
- Dental School of Paris VI University	1993-1995	University Diploma of 1995 Clinical Periodontology
- Dental School of Paris VII University	1994-1995	Post-graduate Certificate 1995 in Prosthodontics
- Dental School of Paris VII University	1995-1996	Post-graduate Certificate 1996 in Oral Surgery

PRIVATE PRACTICE

- Beirut, Lebanon	June 93 to September 93	General Practice
- Montfermeil Hospital Paris, France	November 93 to January 95	Teaching assistant
- Tenon Hospital Paris, France	October 93 to May 96	Consulting assistant in Oral Surgery,
- Dr Khayat Philippe private implantology office Paris, France	October 93 to May 96	Training courses in Oral Implantology
- Montreuil Hospital Paris, France	January 94 to May 95	Teaching assistant in Oral Implantology and Periodontology
- Hotel Dieu Hospital Paris, France	January 94 to May 96	Teaching assistant in Oral Implantology and Periodontology
- Dental School of Paris VI University Salpêtrière Hospital	October 95 to May 96	Collaborator in the University Diploma of Clinical Periodontology
- Private office Sin-El-Fil, Far Vision Center Beirut, Lebanon	May 96 up to date	practice limited to Periodontology Implantology and Oral Surgery
- Lebanese University ment of Maxillofacial	December 06 up to date	Chief of clinical services, Depart- Oral & Surgery

MEMBERSHIPS

- Chairperson Scientific Board Committee, Lebanese Dental Association (LDA): 2013-2015 (Organiser of BIDM 2013, 2014 & 2015)
- Scientific Committee of the “Lebanese Dental Association”: Board member 2004-06
- Active member of the “Cercle d’Etudes Franco-Libanais d’Implantologie et de Parodontologie” (C.F.L.I.P.) 1993 to 1997

LANGUAGES

Arabic, French and English: spoken & written fluently

MÉMOIRE

- “A new approach for tooth extraction procedure considering subsequent dental implant placement” 1993
- “Alveolar ridge enlargement and dental implant placement” 1995

PRESENTATIONS

- 1/ "Interest of internal hex implants"
A.D.F. (Association Dentaire Française)
Paris (France) November, 1994
- 2/ "A 5-year study on ridge enlargement using a split crests technique and e-PTFE
mem-branes" E.A.O. (European Association for Osseointegration) Paris, February 10,
1996
- 3/ "Alveolar ridge augmentation regarding dental implant placement"
Lecture at the Paris VI University, Department of Periodontology
Paris (France) March 28, 1996
- 4/ "Complications en implantologie"
48th annual Congress of the Lebanese Dental Association, September 1997
- 5/ "Submerged versus non-submerged implant"
Annual Congress of the Jordanian Dental Association, Mai 1998
- 6/ "Traitement orthodontique et récessions gingivales"
49th annual Congress of the Lebanese Dental Association, September 1998
- 7/ "Le système implantaire Core-Vent, Bio-engineering"
First South Lebanon Congress, March 20, 1999
- 8/ "Nouvelles techniques en prothèse implantaire"
First South Lebanon Congress, March 20, 1999
- 9/ "Critères de succès, techniques chirurgicales
et approche prothétique en Implantologie Orale"
North Lebanon Dental Association, April 17, 1999

From 1999 to early 2005 a large number of oral presentation were given in different countries: Lebanon, Morocco, Tunis, Jordan, Germany, and Hungary

- 10 "Approche Esthétique en Chirurgie Orale Implantaire"
Société Libanaise de Chirurgie Buccale, May 12, 2005
- 11 « Approche clinique de la greffe du sinus maxillaire »
Société Libanaise de Chirurgie Buccale, Mars 30, 2006
- 12 "Implants in dentistry" May 10-11-12 2006: 3 days course session in dental implants: Renaissance-Mariott Hotel Dubai- Emirates
- 13 5th congress of the Lebanese dental association- Tripoli Lebanon & 2nd meeting of the Lebanese Society of Oral Surgery, June 10 2006: - Quality Inn Hotel Tripoli-Lebanon: Approche crestale e la greffe de sinus maxillaire.
- 15 "Implants in dentistry" 2006 & 2008: 3 days course session in dental implants: Sheraton Creek Hotel Dubai- Emirates
- 16 "Implants in dentistry": 2008: 3 days course session in dental implants: Live surgery transmission to the audience: Dubai international hospital- Emirates
- 17 "Prospective study comparing three different crestal sinus grafting technique : 2 year clinical results" Europerio 5, Madrid 29-30 June & 1 July 2006
- 18 "Greffes sinusiennes par voie crestale et implantation différée: codification des variantes cliniques et analyse histologique » 53rd congres of the Societe Franco- phone de Medecine Buccale et Chirurgie Buccale, Marseille-France, 24-26 April 2008

- 19 « Implant monobloc versus implant conventionnel : Mise en évidence des caractéristiques cliniques et radiologiques à travers 3 cas cliniques. » 53rd congress of the Société Francophone de Médecine Buccale et Chirurgie Buccale, Marseille-France, 24-26 April 2008
- 20 “Evaluation of mineralized cortical bone allocraft and anorganic bovine done matrix for sinus augmentation : histomorphometry at 18 and 28 weeks” Europerio 6, Stockholm 4-6 June, 2009
- 21 “Socket preservation technique” Lebanese University meeting, June 2009
- 22 Zimmer Dental course leader 4-6 November 2009, Zurich. Implant Surgery and Prosthodontics Hands-on Course.
- 23 The Middle East Professional Implant Course 2009. Second Module Program: Boston University Dubai 12th - 14th, November, 2009
- 24 “One Abutment One Time: a new approach to biological implant” Lebanese Society of Oral Surgery. December 4-5, 2009
- 25 “Implant Surgery and Prosthodontics Hands-on Course Level: Basic” Course Leader, Zimmer Institute Winterthur, Switzerland 7 – 9 April 2010
- 26 “Pour une approche biologique du comblement sinusien : résultats cliniques et histologiques”, Journée Internationale d’implantologie Zimmer Dental, Paris, 20 Mai 2010
- 27 “Peri-implant Biologic Width: new perspectives” European Association of Implantologists (BDIZ-EDI) and the University of Cologne. July 10, 2010 Athens.
- 28 “Toward a more biological approach in sinus grafting: clinical and histological results” European Association of Implantologists (BDIZ-EDI) and the University of Cologne. July 10, 2010 Athens.
- 29 “Optimizing ridge preservation: how far can we go?” European Association of Implantologists (BDIZ-EDI) and the University of Cologne. July 10, 2010 Athens.

- 32 “Vers une nouvelle approche du comblement sinusien ; analyse clinique et histologique”. Société Francophone de Médecine Buccale et de Chirurgie Buccale, Nantes, 19 - 20 - 21 Mai 2011
- 33 “Guided Bone Regeneration Using MBA Matrix”. Ankara University, Faculty of Dentistry. II International Implantology Symposium. April 12th-15th, 2012
- 34 “A New Approach In Sinus Grafting: Clinical And Histological Analysis” Ankara University, Faculty of Dentistry. II International Implantology Symposium. April 12th-15th, 2012
- 35 “Nouvelle approche du comblement sinusien : Analyses Clinique et Histologique” 4eme Congres International d’Implantologie et de Dentisterie Esthetique. 6 & 7 Avril 2012. Hotel Golden Tulip - El Mechtel - Tunisie
- 36 “Comparison of mineralized cortical bone allograft and anorganic bovine bone matrix for sinus augmentation: Histomorphometry at 20 and 28 weeks in humans” Europerio 7, Vienna Jun 7-8, 2012
- 37 “Sinus lift with simultaneous 3D bone reconstruction using the lateral bone window: a novel technique” Europerio 7, Vienna Jun 7-8, 2012
- 38 “New Technologies in implant dentistry”, Association des dentistes de la banlieu sud, Hotel Rotana, 18 Mai, 2012

- 39 “Guided Bone Regeneration Using Mineralized Bone Allograft Matrix” Association Des Dentistes du Kessrouan, 16 Juin, 2012
- 40 “Guided Bone Regeneration Using Mineralized Bone Allograft Matrix”, BIDM2012, September 19-21, 2012
- 41 “New Approach In Guided Bone Regeneration”, AEEDC2013, UAE Dubai, February 5-7, 2013
- 42 “Soft And hard Tissue Management: Future Trend”, One Day Course, AEEDC2013, UAE Dubai, February 2, 2013
- 43 “Controversies and Innovation in Sinus Grafting Technique”, One Day Course, AEEDC2013, UAE Dubai, February 3, 2013
- 44 “A New Approach In Guided Bone Regeneration”, Snow Dental Meeting, Borevoretz, Bulgaria, February 28 - March 3, 2013
- 45 “Nouveau Concept en Regeneration Osseuse Guidee: La 2D Technique” Le Veme Congres International de la Societe Tunisienne d’Implantologie et de Dentisterie Esthetique, Tunis, 05 & 06 Avril, 2013
- 46 “Socket Preservation After Tooth Extraction” 13th International Convention of the Lebanese University School of Dentistry, HADAT 08 - 11 MAY 2013
- 47 Chairperson, Scientific Committee, “Sharing Solutions” BIDM2013, 23rd annual convention of the LDA, 26-28 September, 2013
- 48 Chairperson, Scientific Committee, “Sharing Solutions” BIDM2014, 24rd annual convention of the LDA, 11-13 September, 2014
- 49 Chairperson, Scientific Committee, “Sharing Solutions” BIDM2015, 25th annual convention of the LDA, 08 -10 October, 2015
-ETC
- 50.“GBR Techniques in Easy Steps” Clinical Demonstration 11th International Sofia Dental Meeting, SDM 2018, 27-30 Septembre 2018
- 51.“Guided Bone Regeneration. 11th International Sofia Dental Meeting, SDM 2018, 27-30 Septembre 2018
- 52.“Sinus Lift Elevation a New Approach” Workshop, 11th International Sofia Dental Meeting, SDM 2018, 27-30 Septembre 2018
- 53.“Guided Bone Regeneration: the reviewed concept” International Dicle Symposium of Turkish Prosthodontics and Implantology Association. Diyarbakir, Turkey, 2-4 November 2018
- 54.“The Cortico-Cancellous Soft Tissue Punch: A Novel Procedure for Alveolar Ridge Preservation” 16th International Convention of the Faculty of Dental Medicine, Lebanese University, Lebanon May 02-04, 2019

POSTERS

1. September 22-24 2005: 14th annual scientific meeting of the EAO (European Association of Osseointegration): Options and limits of crestal sinus grafting approach in implantology (Poster n° 106).
2. September 22-24 2005: 14th annual scientific meeting of the EAO (European Association of Osseointegration): Flapless v/s delayed implant placement: aesthetic and radiographic outcome (Poster n° 49).

3. September, 16-18, 2004: 13th annual scientific meeting of the EAO (European Association of Osseointegration) : Paris-France- Poster n° 124: Internal v/s external sinus graft in implant therapy.
4. June 2003: EUROPERIO 4 (4th congress of EFP: European Federation of Periodontology), Berlin- Germany. Poster n°343: Limits of bone expansion during implant placement.
5. September, 19-21, 2002: 1st European congress of the ICOI (International Congress of Oral Implantologists) and 32nd annual meeting of the DGZI (Deutsh Society of oral implantology). Hungary- Budapest: Bone expansion with simultaneous implant placement: a modified technique

Product experience:

- TSV Family
- TM
- Eztetic
- Revitalize
- Regenerative Portfolio of Zimmer Biomet Dental
- ZFX Digital
